Jo Manderfield
Mary Wilson

1. Welcome/Opening Comments

Tom opened with a welcome to our guests and an introduction of present board members.

2. Treasurer's Update:

See Attached

Tom went over some details of the expenses.

Suggestions were made by guests with ideas to make the treasurer's report more detailed and asked for more transparency. Stephanie commented that it was already in the works.

It was also suggested that we change some of the categories and we will take those suggestions under consideration.

We are continuing to take care of the animals. We have fewer volunteers; thus we have higher expenses to care for those animals.

It was asked if we take animals from outlying areas and we agreed that we do help those areas that don't have a shelter and we also help other groups/shelters when they have a high need.

Last year, we spent \$45,000 helping MAS

3. Dog / Cat Update:

See Attached

We discussed that we frequently have animals transported up north.

It was suggested that we explore the possibility of distinguishing expenses for Maumelle animals versus those outside of Maumelle

4. Upcoming Events

Cats @ Petsense every Saturday. Dogs meet there once a month

Senior Food Drive, sponsored by the Maumelle Chamber

Fundraiser – MFOA will now be selling Hippy Hound products

It was suggested that we work to find more locations for events. It was discussed that to take on more event, we needed more volunteers to help support what we do.

5. Old Business

General Text notifications – High fee. Looking for other options

6. New Business

Product Sales – Hippy Hounds
